

# JENNELSCHLEFSTEINDESIGN

jellonel@yahoo.com / jennel@schlefstein.com / jennel.schlefstein.com / 818.389.0997

With over 25 years of design experience, my portfolio contains a collection of print, packaging and online projects. My client roster ranges from corporate professionals to those in the toy, gaming and entertainment industry. I have worked and freelanced for multiple design and entertainment agencies being quite accustomed to a fast pace environment. My strength is the ability to take my passion and love for design and apply it to a diverse range of projects. Imagination is endless.

**Work Experience:** 2009 - Present / Los Angeles & Ventura  
**Freelancer**

1991 - 2009

**The Ant Farm / Kaleidoscope Creative Group**  
**TheBrain.com / Sargent & Berman / Marvel Comics (West Coast)**

**Education:** California State University Northridge / BA, Graphic Design

**Software:** Mac OS / Adobe Creative Suite / Microsoft Office

**Skills:** Take a project from start to finish, create finishes and hi-res final artwork, create final mechanicals and do production, manage a team of designers, manage multiple projects in different stages, detail oriented, skilled at file management and organization, fast learner, self thinker and highly creative.
